About Us...

Zoe's Cupcake Cafe is a not-for-profit enterprise. 100% of our net proceeds support Zoe's Place, a not-for-profit organization founded in 2003 by a group of local women committed to making a difference in the lives of Bergen County pregnant teens, teen mothers and their babies.

This wonderful surprise of a cupcake shop became a reality thanks to a generous grant from Women United in Philanthropy, and many local volunteers.

Visit www.zoesplaceinc.org for more information. Please consider making a donation to support this worthy cause.

Welcome! When we first dreamed of this cafe, we knew we wanted it to feel like home – a place where people could come to kick back, schmooze a little and relax over a great cup of coffee and a tasty sweet treat. We hope we've succeeded, and that you feel right at home at Zoe's Cupcake Cafe!
